UTUIA OFFERS TOLL-FREE TELEPHONE ASSISTANCE

UTUIA offers toll-free telephone assistance for UTUIA members and policyholders. This toll-free number is for insurance inquiries only.

The number is **1-800-55-UTUIA** (1-800-558-8842).

By referencing the guide below, UTUIA policyholders can request direct transfer to the proper department for immediate assistance to insurance-related questions.

Policyholder Service Department

Policyholder Service Department personnel provide answers to questions about existing insurance policies, including UTUIA's interest-sensitive whole life policies. Services include cash value and loan quotes and information about dividend accumulations. Policyholder service personnel also provide information with respect to beneficiary designations and provide the appropriate forms for beneficiary and ownership changes. Information about dependent coverage, as well as general information with respect to the benefits provided by existing UTUIA policies, is also available from this department. Additionally, copies of lost or misplaced policies can be obtained from this department.

Actuarial Department

Actuarial Department personnel handle IRA and annuity transactions. This department posts and acknowledges contributions, processes partial and full withdrawals, handles direct transfers, and provides information about settlement options available through UTUIA. Actuarial Department personnel also handle beneficiary changes for IRA/annuity contractholders.

Claim Department

The Claim Department provides information with respect to life and health claim payments. Claim Department personnel also provide premium waiver information and handle correspondence associated with claims. Policyholders can also obtain answers to questions about benefits payable under accident and health policies issued by UTUIA and its predecessor organizations.

Direct Billing Department

Direct Billing Department personnel answer questions with respect to the amount and timing of premium payments due on existing insurance policies for which premiums are billed direct to the policyholder from the Home Office.

Sales Department

Names and telephone numbers of UTUIA field supervisors, and answers to questions about the insurance products available through UTUIA, including premium quotes for new insurance, can be obtained from this department. Callers can also obtain information with respect to the status of new insurance applications. Application forms and assistance are also available through the Sales Department for local insurance representatives.

Underwriting Department

The Underwriting Department provides the status of new insurance applications and handles inquiries concerning medical eligibility for UTUIA products.

Insurance Administrator

Comments and concerns regarding the operation of each department of UTUIA and its employees should be directed to the Insurance Administrator.

Services Not Provided

All phone calls concerning the UTU Discipline Income Protection Program, Accounting, or other union-related calls should be routed through the UTU operator by calling 1-216-228-9400.
