

General Committee of Adjustment GO-245

The above GCA represents conductors, brakemen, switchmen, hostlers and locomotive engineers on the former CB&Q portion of the Burlington Northern & Santa Fe Railway. This property encompasses extensive operations in Wyoming, Colorado, Nebraska, Iowa, Missouri, Illinois and Wisconsin. Our offices are located in Arvada, CO and are staffed by three full-time employees that are elected from the craft. Current staffing is as follows:

GENERAL CHAIRMAN

R.S. Knutson

FIRST ASSOCIATE CHAIRMAN

R.C. Doyle

SECOND ASSOCIATE CHAIRMAN

S.S. Anderson

Renee V. Opp

Under the jurisdiction of this GCA are twenty-six (26) separate Locals. Within these Locals are forty-five (45) Local Committees of Adjustment (LCA), each with a Local Chairman representing various crafts. On the following pages you will find a list of all the designated Local Chairmen, their jurisdiction and contact information. Should you require assistance at any of these locations, please contact the appropriate Local Chairmen.
