Re: 2010 (fiscal) Productivity Fund Finalization

As you are aware, our recent productivity fund fiscal year ended October 31, 2010. In order to begin distribution of the fund by mid-December, the final day in which any correction or adjustment can be made is **December 3, 2010**.

Please request your members review their final share counts on their earning statements, the bi-monthly, itemized report mailed to all Local Chairmen, and/or on our web site;

www.utugca.org

All discrepancies should be presented to the Local Chairman with supporting documentation, and forwarded to this office prior to the above deadline for handling. Remind our members that once the deadline passes and the accounts are finalized, no further corrections may be made.

Presently, the Carrier anticipates beginning distribution of these monies on December 11, 2010, unless there are unforeseen problems with any of the accounts.

If you have any questions regarding this matter, please feel free to contact us.

Fraternally,

R.S. Knutson
General Chairman
