Re: 2006 Productivity Fund Finalization

As you are aware, our recent productivity fund fiscal year ended October 31, 2006. In order to begin distribution of the fund by mid-December, the Carrier will need to finalize the accounts by the first week of December. All adjustments must therefore be submitted to the Carrier by this office no later than **Thursday, December 7, 2006**.

Please request your members review their final share counts on their earnings statements and/or the bi-monthly, itemized report mailed to all Local Chairmen. All discrepancies should be presented to Local Chairmen with supporting documentation, and then forwarded this office prior to the above deadline for handling.

If you have any questions regarding this matter, please feel free to contact us.

Fraternally,

R.S. Knutson
General Chairman
